

ACSL-flightstack/include  
/flightstack/control/vehicle  
\_info.hpp

```
graph TD; A["ACSL-flightstack/include<br>/flightstack/control/vehicle<br>_info.hpp"] --> B["cmath"]; A --> C["Eigen/Dense"];
```

The diagram illustrates the include dependencies of the file `ACSL-flightstack/include/flightstack/control/vehicle_info.hpp`. Two blue arrows originate from the bottom of the top box and point to the boxes below, indicating that the top file includes `cmath` and `Eigen/Dense`.
